

BOROUGH OF JENKINTOWN
JENKINTOWN, PENNSYLVANIA

Minutes of the Public Works Committee

Tuesday May 18, 2004

Members in attendance: McCabe, Breslin, Montanaro, Sher.

Others in attendance: Whitney, Segal, Golden.

Staff in attendance: Geissler, O'Brien, Fuelleborn.

Shade Tree Report	No members of the commission were in attendance. There was committee discussion on the positive effects of the tree plantings around the Borough.
-------------------	---

Pedestrian Traffic Signal	Signal is now operational in front of Summers Gate. Manager was initial test-walker, all systems go.
---------------------------	--

York Road Washington Lane	Committee granted manager request to proceed with preparing the necessary documents to make a formal application to P A DOT for the signal modification.
---------------------------	--

Sanitary Sewer Line	Walnut/Cedar Sts. Committee granted manager request to dust off the plans for the storm line, look into alternative solutions for rebuilding, give notice to adjacent property owners that our staff will be on site to examine and drill test bores along the easement.
---------------------	--

Pear Street	This alley/street behind the Hiway Theatre is full of large potholes. Committee authorized staff to address this dangerous situation and fill the holes.
-------------	--

Major Projects	Committee requested that Manager prepare a list of potential projects that he anticipates arising in the next year(s). Discussion on the possible scope of the above sewer line prompted this request.
----------------	--

Respectfully submitted,

Vince McCabe
